Mirjam Collor

**GERMAN ARTIST BASED IN
ABU DHABI**

Mirjam Collor is a German abstract painter based in Abu Dhabi. With over a decade of professional experience, she has exhibited her work in galleries and international art fairs across France, Austria, Germany and Spain and now UAE.

Her paintings are held in private collections worldwide.

Inspired by a deep love for people, culture and nature, Mirjam's work is driven by intuition and emotional expression. She creates abstract compositions that invite open interpretation, allowing each viewer to find their own meaning within the forms and colors. Instead of analyzing technique or form, she encourages audiences to feel the mood, atmosphere and emotional energy conveyed by her work. Through her art Mirjam explores themes of identity, perception and the universal human desire for connection and understanding.
